I would like for the wic checks
to stay just the way they are;
there's no problem with the current
checks. Thank you for your time

I personally feel that it
is fine the way it is.
Because my son is a growing
boy and needs enough food
to last a whole month
to enjoy eating please
so I like it that way.

Thank you

Probably some breads, fruits
vegetables and rice. It would
be more healthier for the kids
and easier for the parents.

I would really prefer to get
yogurt instead of TOFU, is something
kids would enjoy more it could come
cheaper also.

I would still like to get the same amount of milk because that's something that my 3 children drink the most of (alone & w/ cereal).

I agree with the fruits and gerbes
4 the baby. I think that's a great
idea. BUT instead of taking milk
away from us, instead
take away the beans and
or the peanut butter.....
that's my opinion.
